To Whom It May Concern:

I had the opportunity to work with Sam Mastromonaco and his team at Monaco Construction Group Limited on a major renovation of our 25,000 square foot corporate office in Northeast Calgary.

Throughout the project, I felt that Sam and his team demonstrated a high degree of professionalism. Our project wasn't without its problems, but regular consultations and Sam's knowledgeable suggestions, made the project flow in a manner that resulted in the completion of the project on time and on budget.

I would highly recommend Monaco Construction Group Limited for future construction projects.

Yours truly,
