To Whom It May Concern:

I am pleased to provide a letter of reference for Monaco Construction Group Limited. I have personally worked with Sam Monaco and his firm for over 20 years and have found them to professional and efficient in all aspects of our construction projects.

Monaco has continually proven to provide excellent quality workmanship combined with great pricing. The knowledge that Sam and his staff have lent to all their projects has continued to provide all my clients with superior craftsmanship. They consistently perform their work on time on budget and in the time restraints.

There are many good things that I could write, but no one would have time to read. For a more personalized reference please do not hesitate to contact me.

Yours truly,
