To Whom It May Concern:

I had the opportunity to work with Sam Mastromonaco and his team at Monaco Construction Group Limited on a major renovation and new construction on 2 floors of a building in South East Calgary.

Sam and his team were a pleasure to work with. The Monaco team always communicated in a professional manner and offered construction detail suggestions that were greatly appreciated by everyone.

The project was completed on time and on budget and the final outcome was beautiful.

I would highly recommend Monaco Construction Group Limited for future construction projects.

Yours truly,
